1. EDUCATION

University of Rostock, Germany <http://www.wiwi.uni-rostock.de/en/soziologie/>

June 2006 *Ph.D. in Sociology (demography)*. Doctoral thesis “Socioeconomic Differences in Old Age Mortality in Denmark and the USA - with Special Emphasis on the Impact of Unobserved Heterogeneity on the Change of Mortality Differences over Age”. Graded 0.7 on a scale from 0 to 5 (0 is high). Supervisors: Prof. Peter Berger and Prof. James Vaupel.

International Max Planck Research School for Demography (IMPRSD), Rostock, Germany
<http://www.IMPRSD.de>

2002 - 2004 *Seminars*

- New Directions in Mortality Research
- Research Writing and Presentation
- Demographic Analysis and Computer Applications
- Pure Demography (Formal Demography)
- Measures and Models of Demography
- Introduction to Event History Analysis
- Advanced Event History Analysis
- Register Research

Inter-University Consortium for Political and Social Research (ICPSR), Michigan, USA
<http://www.icpsr.umich.edu/training/summer/index.html>

June/July 2002 *Summer School Program* in quantitative methods in social sciences (programming, mathematics, statistics).

University of Freiburg, Germany <http://www.soziologie.uni-freiburg.de>

Dec 2000 *Magister in Sociology, with minors in Biology and French*. Magister thesis on sustainable development and the empirical correlation between level of wealth and consumption behaviour, Magister graded 1.1 on a scale from 1 to 5 (0 is high).

University René Descartes (Sorbonne, Paris V), France <http://www.univ-paris5.fr>

July 1999 *Licence (Bachelor) in sociology*, plus attendance of other seminars on economic and social policy (on an Erasmus exchange scholarship program from 1998 to 1999).

LANGUAGES

German	Mother Tongue
English, French	Fluent
Danish, Spanish, Italian	Elementary knowledge

2. PROFESSIONAL EXPERIENCE

European University Institute <http://www.eui.eu>

Sept 2008 – Aug 2009 Fellow, Max Weber Programme

Participation in a doctoral seminar on family, population and gender and in a seminar on welfare states.

Rostock Center for the Study of Demographic Change <http://www.rostockerzentrum.de>

May 2008 – Aug 2008 Visitor

University of Rostock, Germany

Dec 2004 - April 2008 *Research Assistant, lecturer* for the chair of Empirical Social Research and Demography (Prof. Doblhammer) at the Institute of Sociology and Demography <http://www.wiwi.uni-rostock.de/~esf>

EU-Research project MicMac (bridging the micro-macro gap in population forecasting) <http://www.micmac-projections.org>

Research project “KLIENT der Patientenbrief”, on information policies and transparency in the health system <http://www.sic-institut.de>

Max Planck Institute for Demographic Research <http://www.demogr.mpg.de>

2001-2004 *Ph.D. fellow*. First, working on the adult male mortality crisis in Eastern Europe; then, on my dissertation project on the socioeconomic determinants of old-age mortality in Denmark and the USA.

Medizinischer Dienst der Krankenversicherung (MDK, Medical Health Insurance Service)
<http://www.mdk-nord.de>

2001 EU-Research project “Patientennavigation”, an international comparative study on different health systems and their information systems for patients. http://www.patientennavigation.org/patnav_e.html

Institute for Social-Ecological Research (ISOE) <http://www.isoe.de>

1997 Internship in a research project on sustainable consumption, financed by the Ministry of the Environment. <http://www.isoe.de/english/reloadfo.htm?projects/archivpr.htm>

3. TEACHING EXPERIENCE

University of Rostock, Institute of Sociology and Demography

<http://www.wiwi.uni-rostock.de/index.php?id=1274>

- 2006 - 2008 Several seminars and lectures on methods for empirical social research, social differences in health and health behaviour, survival analysis, aging research, methods of multivariate analysis, including a lecture on demography for medical students.
- 2004 - 2006 Several seminars on methods in empirical social research.
- Summer 2004 Seminar: Social structural analysis.
- Summer 2002 “Narcissus in the supermarket” – Consumer society in the early 21st century.

International Max Planck Research School for Demography (IMPRSD) <http://www.IMPRSD.de>

- Winter 2006/07 Seminar for doctoral students (in English): Social differences in health and mortality. <http://www.imprsd.de/courses/06ws/338.htm>
- Winter 2003/04 Lectures in a lecture series for doctoral students “New Directions in Mortality Research” (in English).

4. ADDITIONAL INFORMATION

Reviewer for the Journals *Demography*, *Experimental Gerontology* and *Wiener Klinische Wochenschrift*.

Member of the administrative committee for the new doctoral curriculum “Demographic Change” at the University of Rostock, which offers a structured Ph.D. curriculum.

5. PROFESSIONAL AFFILIATIONS

Deutsche Gesellschaft für Soziologie (DGS) <http://www.soziologie.de>

Sektion “Soziale Ungleichheit und Sozialstrukturanalyse“

<http://www.soziologie.uni-rostock.de/sozialstruktur/Sektion.htm>

Sektion “Alter(n) und Gesellschaft“ <http://www.sektion-altern.de>

Sektion “Medizin- und Gesundheitssoziologie“ <http://dgsmedsoz.blogspot.com/>

International Union for the Scientific Study of Population (IUSSP) <http://www.iussp.org>

Population Association of America (PAA) <http://www.popassoc.org>

European Association for Population Studies (EAPS) <http://www.eaps.nl/index.html>

Association Internationale des Démographes de Langue Française (AIDELF) <http://www-aidelf.ined.fr>

Verein zur Förderung sozialmedizinischer Grundlagenforschung (VSG) <http://www.sic-institut.de>

6. PUBLICATIONS AND SUBMISSIONS

Doblhammer G., Hoffmann R. “Gender differences in trajectories of health limitations in Germany between 1995 and 2001. A study based on the German Socio Economic Panel (SOEP)”, resubmitted to *The Journals of Gerontology. Psychological Sciences and Social Sciences*.

Carlson E., Hoffmann R. “State Socialist Development Policy and Rising Working-Age Male Mortality”, resubmitted to *Population Research and Policy Review*.

Doblhammer G., Hoffmann R., Muth E., Westphal C., Kruse A. “A Systematic Literature Review of Studies analyzing the Effects of Sex, Age, Education, Marital Status, Obesity and Smoking on Health Transitions”, *Demographic Research* (accepted).

Hoffmann, R. “Inégalités sociales devant la mort et en matière de santé aux Danemark et aux Etats-Unis“, in: “*Populations d’ici et d’ailleurs. Regards croisés*“ Editions de l’Université Paris-X, distribuées par PUF-Flammarion (accepted).

Doblhammer, G., Hoffmann R., Muth E., Nusselder W. “The effect of Sex, Obesity and Smoking on health Transitions: A statistical meta-analysis“, in: “Aging, Care Need, and Quality of Life“, VS-Verlag, Wiesbaden (accepted).

Andreev E. M., Hoffmann R., Carlson E. D., Shkolnikov V. M., Kharkova T. L. 2009 “Concentration of Working-Age Male Mortality among Manual Workers in Urban Latvia and Russia, 1970-1989“, *European Societies*, 11:1, February 2009 (forthcoming).

Hoffmann, R. 2008 “Entstehungsgründe sozialer Ungleichheiten in Gesundheit und Altersmortalität“, in *Health Inequalities – Erklärungsansätze gesundheitlicher Ungleichheit*, U. Bauer, U. Bittlingmayer, M. Richter (eds.), VS-Verlag, Wiesbaden.

Hoffmann, R. 2008 “Arm oder reich? – erst bei Krankheit bedeutungslos“, *Demografische Forschung aus erster Hand*, Jg. 5, No. 3. <http://www.demografische-forschung.org/archiv/defo0802.pdf>

Hoffmann, R. 2008 “Socioeconomic Differences in Old Age Mortality“, The Springer series on demographic methods and population analysis; edited by Kenneth Land 25, Springer, Dordrecht.

Uriona V., Hoffmann R. 2007 “Rette sich wer kann! Jugend in Argentinien und Deutschland: ein ständiges déjà-vu“, in *Globale Jugend und Jugendkulturen. Aufwachsende im Zeitalter der Globalisierung*, D. Villányi, M. D. Witte, U. Sander (eds.), Juventa, Weinheim/München, 95-115.

Hoffmann R. 2006 “Nachhaltiger Konsum nur für Reiche? Der Zusammenhang von Wohlstandsniveau und Konsumverhalten“, in *Soziale Ungleichheit, Kulturelle Unterschiede, Verhandlungen des 32. Kongresses der Deutschen Gesellschaft für Soziologie*, K.-S. Rehberg (ed.) Campus, Frankfurt, 2787-2801.

Hoffmann R. 2005 “Do socioeconomic mortality differences decrease with rising age?“, *Demographic Research*, 13:2, 35-62. <http://www.demographic-research.org/Volumes/Vol13/2/13-2.pdf>

Hoffmann R., 2005 “Does the socioeconomic mortality gradient interact with age? Evidence from US survey data and Danish register data“, MPIDR Working Paper WP-2005-020. <http://www.demogr.mpg.de/papers/working/wp-2005-020.pdf>

Hoffmann R., 2004 “Does the impact of socioeconomic status on mortality decrease with increasing age?“, MPIDR Working Paper 2004-016. <http://www.demogr.mpg.de/papers/working/wp-2004-016.pdf>

Hoffmann R. 2003 “Der Zusammenhang zwischen sozialen und ökologischen Problemen. Führt das Leitbild der Nachhaltigkeit zu trügerischer Harmonie?“, *Forum Recht*, 3/03, 76-79.

7. PRESENTATIONS

Hoffmann, R. (2008): Discussant in the Session “Current Mortality Research Issues” at the Annual Meeting of the Population Association of America (PAA), New Orleans, April 2008.

Hoffmann, R. (2008): “Gender Differences in Trajectories of Health Limitations in Germany between 1995 and 2001. A Study Based on the German Socio Economic Panel (SOEP)”, Annual Meeting of the Population Association of America (PAA), New Orleans, April 2008, financed by a travel grant from Deutsche Forschungsgemeinschaft (DFG).

Hoffmann, R. (2007): “Inégalités sociales devant la mort et en matière de santé aux Danemark et aux Etats-Unis”, *Populations d'ici et d'ailleurs. Regards croisés*, Colloque Jeunes Chercheurs en Démographie, Université Nanterre (Paris), October 2007.

Hoffmann, R. (2007): “Trends of SES mortality differences”, MicMac Expert-Meeting on Assumptions on Future Mortality and Morbidity Trends in Europe, International Institute for Applied Systems Analysis (IIASA), Laxenburg, Autriche, September 2007.

Doblhammer, G.; Hoffmann, R. (2007): “The Effect of Sex, Obesity and Smoking on Health Transitions: A statistical meta-analysis”, Poster, VI European Congress of the International Association of Gerontology and Geriatrics, St. Petersburg, July 2007.

Hoffmann, R.; Doblhammer, G. (2007): The Effect of Age, Sex, Obesity and Smoking on Health Transitions: A Statistical Meta-Analysis Based on a Systematic Literature Review, Conférence de REVES (Réseau Espérance de Vie en Santé), St. Petersburg, Florida, May 2007, financed by a travel grant from Deutsche Forschungsgemeinschaft (DFG).

Hoffmann, R. (2006): “Natürliche” und soziale Unterschiede in Gesundheit und Altersmortalität – theoretische und empirische Abgrenzungen, Kongress der Deutschen Gesellschaft für Soziologie (DGS), Kassel, October 2006.

Hoffmann, R. (2006): Entstehungsgründe sozialer Unterschiede in Gesundheit und Altersmortalität in Dänemark und den USA, Kongress der Deutschen Gesellschaft für Soziologie (DGS), Kassel, October 2006.
